HSE-AUSTIN STUDENT-RUN COLLEGE FAIR AND SENIOR-JUNIOR PANEL

HSE-Austin senior students prepared a Student-Run College Fair and invited 6th thru 11th-grade students to this event. It was excellent to see our students' collaboration and engagement across all grade level, and it was a great reminder of HSE being a college prep school!

Also, senior students shared their senior year experiences with junior students at the end of event. This provided a great opportunity for juniors to get a head start to next year helped by their peers.
